

WARA News Letter

Holiday Party December 2. The first Monday of the month. The party will be held at the Sizzlers Restaurant in Fullerton at 1401 North Harbor Blvd. at 7:00 pm. Come earlier to help set up. Bring a wrapped up White Elephant gift for the gift exchange. There will be a raffle. The Ham of the Year award will be given as well as a president plaque. K6PIN ham club will be joining us. Come for the camaraderie and the fun.

Testing Dates The testing dates are held on the third Thursday of each month. The next testing date will be November 21 at 6:00 pm at the LaHabra Community Center, 101 West LaHabra Blvd., LaHabra, CA 90631. There will be no testing done in December.

Board Meeting The next WARA Board Meeting will be held on Saturday, January 11, 2020 at 1:00 at Kris and George's home in LaHabra. Everyone is invited. Please contact George at jac2247@gmail.com for directions.

Dues Yearly WARA dues are needed by January. Please note that dues have NOT increased in 10 years. Please talk to Chris if you have questions. PayPal will be available in the near future.

Planning for Field Day Leave the last full weekend in June open. More info on this will be coming in future news.

Guest Speakers for future meetings for January and February have not been determined yet. Please contact George at jac2247@gmail.com with your suggestions.

Info about the previous meeting in November Briefly, what you missed if you were not there.... The movie GOING TO THE MOON FOR HAM RADIO was shown. It was a very interesting and informative movie about Collins Radio connecting earth to the moon and the first Apollo flights.

Elections for board positions were held. The results were:
president—Scott Orr, and vice president—George Jacob, and treasurer—Chris Jacob.

And finally, as usual, there was a fun and exciting raffle with many interesting items!

Looking Forward...A WARA dinner will be planned soon at Blake's Restaurant which features a wonderful BBQ. More information will come soon.

MEMBER RECOGNITION

Meet Vi Barrett. W6CBA She has been an active ham radio operator since February 1948! When her uncle returned from fighting in World War II, he highly influenced her to learn Morse Code and to be a ham radio operator. She has been active ever since, especially with using DX and FT8. And she has spread her knowledge being an instructor at local schools.
What in interesting and fascinating lady she is.

Do you know someone in the club who should be recognized? Please contact me Rhonda at km6ybz@gmail.com or call me at 714-329-6572..
